Important

COMMUNITY

REMINDERS

Transponders

- Transponders are \$20 and require a current form of registration along with proof of residency (through ID, registration, or bill). If you do not have one, please stop by the Clubhouse and we will be able to assist you!

Dogs on Leashes

- We have had a lot of situations with dogs off of their leashes in many situations over the past year. We would like to remind everyone that dogs must stay on their leashes unless they are in the dog park. This is for the safety of the owner, dog, and anybody who interacts with it as they walk by.

Kids Entering the Clubhouse

- As a reminder, kids under the age of 14 are not allowed in the Clubhouse without direct adult supervision. Thank you for your cooperation!

Rattlesnakes

- As the weather gets hotter, rattlesnakes may be spotted around the community. If you spot a rattlesnake, please call Corona Animal Control at (951) 736-2309. If you see one in the pool area, please notify staff immediately!
